

Guidelines on how your image will be used by JrnyOn

The Pictures taken on tour, shared in our website/instagram/facebook or other social media channels will be used by JrnyOn to advertise and market us better. All these images will be added to our picture library.

Once a photograph has been added to our picture Library, it may be used in a variety of ways to promote and sell JrnyOn tours through our website, brochures, flyers, marketing materials and other assets across social media. These photographs will also be share with our partners and other third parties to promote JrnyOn

We will credit your work wherever possible, although this may not be possible in all circumstances.

If you do not want your photo to be used by JrnyOn, please let us know by emailing us at journey@jrnyon.com . You will need to describe the photograph that needs to be removed and include your full name and your booking number with JrnyOn.

It's important to note that photographs may be submitted together with personal details. For more information on how your personal details are managed, please refer to the JrnyOn Privacy Policy on our website.
